LUDGROVE PERFORMING ARTS DIARY

Summer 2010

Performing Arts at Ludgrove

Both music and drama have a high profile within the school as this brochure demonstrates.

Over two-thirds of the boys have individual instrumental music lessons and through the course of the year all boys have the opportunity to appear on stage at least once.

There are both formal and informal concerts every term and boys are encouraged to perform solo items and in groups.

The Chapel Choir, Concert Band, Brass Band, Junior Choir and String Group meet on a weekly basis and there are other smaller groups which are formed throughout the year for specific performances.

Singing is very important at Ludgrove. The Chapel choir sings an anthem every Sunday and most of the drama productions have a musical element to them.

Director of Music: William Goldsmith
Head of Instrumental Music: Debbie Clay
Head of Chapel Music: Paul Bellingham
